

TextMyGov Announcement

The COUNTY of KIMBLE is thrilled to introduce TextMyGov, a convenient and smart text messaging service! This service will enable residents to effortlessly receive important notifications and easily find specific information by texting the city.

The Clerk's Office will officially launch the new text messaging system to the public on 09/30/2024. Residents will have full control over their participation, as they can choose to opt-out at any time by simply texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword "**Hi**" to the number **91896**. After sending the initial keyword, you will be asked to reply "**YES**" to confirm opt-in. Residents may receive notifications for **ELECTIONS, JURY NOTICES, BURN BANS, OFFICE CLOSURES**, etc. For specific text alerts, text one of the following keywords to the number **91896**:

- [EXAMPLE] notifications: text **KIMBLEELECTIONS** to **91896**
- [EXAMPLE] updates: text **BURN BAN** to **91896**

Also, starting soon, residents will be able to receive on-demand information 24/7 by texting 1-2 keywords to the COUNTY's TextMyGov number. You'll be able to get quick information about **Elections, Jury Notices, County Office Closures, and other COUNTY information**.

Kimble County's use of this technology is another example of how our community enhances resident services by implementing 21st-century solutions. We're excited about this new way of communicating with residents and look forward to sharing important County notifications. Other governmental entities across the country are utilizing this system with great success. Stay informed, stay ahead.

Sincerely,
