The Honorable County Clerk Karen Page
Kimble County
PO Box 164
London, TX 76854

Dear Hon. County Clerk Page,

As part of the Texas Parks and Wildlife Department's efforts to ensure good communications with our constituents and neighbors, and in compliance with §11.353 Parks and Wildlife Code, I want to inform you of the Department's intent to conduct one or more prescribed burns at South Llano River State Park sometime between November 2024 and April 2025

Our primary target timeframe for these burns is sometime between November 2024 and January 2025 . Burn opportunities are dependent on weather, vegetation conditions, current and expected fire danger, and many other considerations. If we are unable to conduct these burns within this target timeframe we will contact, you again with the next potential timeframe.

A site-specific fire management plan for prescribed burning operations at South Llano River State Park is in place and we will be happy to share a copy with your office if you desire. In addition, neighboring landowners have been notified of the Department's intentions with the attached letter and map. In order to reach the community at large, a public notice will be published in the Junction Eagle newspaper prior to this burn period.

Additional community outreach on the upcoming burn may include information posted on the Department's website and social media outlets.

Advance notifications have also been made to other state and local officials, nearby water utility officials, and owners of any utility infrastructure within the prescribed burn area. Prior to ignition of any fires, city or county emergency services dispatch center, local area fire departments and the Texas Commission on Environmental Quality will be notified to ensure they are aware of these actions.

Please call the park at (325) 446-3994 or email at SouthLlanoRiverSP@tpwd.texas.gov if you have any questions regarding the planed burn or notifications.

Sincerely,

Mark Pearson or Current Superintendent
Interim Park Superintendent
